Expressed the need for VPSL to provide documents. EngSoc has suggested UTSU should be a tour stop on Tuesday, July 1st. Questions about whether Colleges can participate/can coordinate the planning together.

SUMMARY: Committee expresses positive reactions to report. This report provides a basis for internal conversations about UTSU outreach, student interest in 'incentives' for elections and so on. Concern raised about how to get informed votes without incentivizing random voting (i.e. concerns about raffling), committee interest noted about recognizing engagement. Interest noted about distilling the report into other summaries/content.
